Petition for the Establishment of the "Season of Creation" Liturgical Feast on September 1st

The "Season of Creation" is a time dedicated to prayer, reflection, and action for the care of Our Common Home. Pope Francis emphasized the importance of caring for creation, stating in *Laudato Si'*: "*Living our vocation to be protectors of God's handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience*" (LS, 217). Similarly, Pope Leo XIV has called us to "*live an integral ecology with justice, peace and prophetic courage*". A new liturgical feast on September 1st would provide the faithful with a dedicated time to celebrate and deepen our commitment to this aspect of our faith.

Purpose of the Petition

This petition seeks to gather signatures in support of instituting a liturgical feast for the "Season of Creation" on September 1st.

STATEMENT OF SUPPORT

By signing this petition, I express my support for the establishment of a liturgical feast for the "Season of Creation" on September 1st, as a way to honour God's creation and to inspire greater care for social-ecological issues within the life of the Church.
